Stage Two 2017-2018

12th January 2017

Dear Parent /Carer,

As part of our School Improvement Plan, we have been focusing on developing Science across our school this session. We have planned a Science Week towards the end of January and as part of this we have invited Generation Science to work with us to deliver a top quality science workshop to each pupil. Our teachers have chosen a suitable workshop which is appropriate for the learning at each stage. The workshops will take place week commencing Monday 30th January.

<http://www.sciencefestival.co.uk/generation-science>

Our Parent Partnership have kindly agreed to fund part of this but there will be a cost of £2.50 for each child.

We hope that you would agree this is a valuable learning opportunity and would kindly ask that you return this money with the tear off slip below by Friday 27th January 2017.

Thank you for your continued support.

Yours sincerely,

Lynsey Stevenson
Acting Depute Headteacher

Science Week commencing Monday, 30th January
Please return on or before Friday, 27th January 2017

Name of child Class

I enclose £2.50 towards the cost of the above.
