Nursery Term 3 Newsletter

Welcome back everyone. We hope you had a wonderful Christmas and New Year. Thank you for your understanding during the flood at the start of term. It was not the ideal way to start a new term, but we are pleased to be back in Nursery now.

Our Learning

Our focus for the term will be winter, loose parts play and People who Help Us.

We would really appreciate parents' support with our People Who help us topic so if any of our parents work for the emergency services or know someone who does we would be keen to hear from them.

We are always looking to expand our loose parts play. Loose parts can be anything from shells and bottle tops to pipes and cable drums.

Loose parts play encourages children to be imaginative, problem solve and risk assess. Any donations would be gratefully appreciated.

Pilot Survey

We are interested to hear your views on the extended hours. Please take the time to complete the short Survey Monkey about this.

Your views matter

We are always looking for parents' feedback, comments and suggestions. We have a 'You Asked We Listened' board in the foyer. Please put any suggestions on the board and we will try to answer them as quickly as possible. This can be anonymous or named suggestions or questions. We also welcome suggestions and questions from the children on this board.

Wellbeing meetings

It's that time again to have our half yearly catch up with your child's key person. Key workers are allocated a day for these over the course of two weeks. If you cannot attend your allocated day please see your child's key person to arrange an alternative time.

Notice board

We regularly update our nursery noticeboard with information for parents. Please check this regularly for new notices.

Snack Money

Snack money for the term is £36 payable by Parentpay only please. If you are having difficulty with Parentpay please see the school office.

Have you got any questions or suggestions for the We Asked You Listened board?
