

# Learning and Celebrating

## Primary 3 Term 4 Newsletter

Welcome to the very last term of P3! I cannot believe how quickly this year has flown by. We have another very busy and fun filled term ahead. Fingers crossed we get better weather so that we can do more learning outdoors.

### Literacy

In grammar this term we will be learning about more complex sentence structures.

All of our writing will be linked to our 1960s IDL topic and we will be focussing on a wide range of writing genres.

We will continue to learn more joins in handwriting and to transfer these skills into all of our writing.

The children will continue to learn spelling patterns in class.

### Numeracy/Maths

This term we will continue to work in our numeracy groups looking at the four processes, with a particular focus on applying our skills to word problems. We will continue our work on the quick recall of basic numeracy facts and we would encourage the children to keep practising their times tables at home to support work in class. In Maths, we will be working on fractions and will be working on Length, Capacity and Weight in Measure.

### Topic

To coincide with Cornbank's 50<sup>th</sup> celebrations, our next topic is The 1960s. In this topic we will be comparing life in Scotland in the sixties to the lives we have now. We will be focussing on school and home life, toys, music, foods, TV shows, dances and fashion. It will be a very exciting topic and you will see some of what we have learned about this topic, at our class assembly.

### Health & Wellbeing

During Health Fortnight, P3 will be taking part in Hockey taster, Parkour and Pulse Race sessions.

We will also be working on Road Safety and how to stay safe online this term.

### Additional Info

White t-shirt for tie-dye- please send an old white t-shirt in with your child, which we can tie-dye as part of our 60s topic. Please send in by Friday 11<sup>th</sup> May. Let me know if there are any problems with this. Please put your child's name on the t-shirt label. Thank you.

25<sup>th</sup> May -P3 Class Assembly

Thank you for your ongoing support. I've had a great year so far with P3 and am looking forward to enjoying this last term with them ☺
