

Learning and Celebrating

Primary 4 Term 1 Newsletter

Welcome to Primary 4 - it was lovely to meet some of you at the open afternoon. The summer holidays are a distant memory and everyone has settled well into our new class. We have been very busy creating our Rights Respecting School Charter and doing lots of team building activities.

Literacy

Pupils have been issued with reading books and reading homework will be issued twice a week. Spelling lessons and activities will take place in class on a daily basis. We have started the term off with some personal writing and will also do writing connected to our topic.

Numeracy/Maths

We started the term with a focus on times tables and numbers to 1000. Maths will focus on shape for the first term. Look out for numeracy tasks in the LOL and please help your child to revise their times tables.

Interdisciplinary Learning

Our topic this term is The Vikings which will have a social studies, art and literacy focus. A trip to the National Museum of Scotland is planned for 6 October where we will take part in A Viking Day Out workshop.

Health & Wellbeing

P.E. with Mrs Jones will be on a Wednesday afternoon and we will be swimming on a Wednesday morning. We will also be looking at Cool in School strategies to help us with assertive responses to tricky situations.

Dates for the Diary

Tuesday 13 Sep - Roald Dahl Day

Wednesday 14 September - Eco One Planet Picnic

16-19 September weekend

Thursday 6 October - National Museum of Scotland trip

Please check your child's reading record for details of reading homework. Remember to ask for any resources you require for Linking our Learning. Thank you for your support. Mrs McCaffery
