

Learning and Celebrating

Primary 6/7 Term 1 Newsletter

Welcome to Primary 6/7! We have already had a busy start to the session as we have been looking at Rights Respecting Schools and P7 have been preparing for our House Elections.

Literacy

Our focus for literacy this term will be a mini Novel study 'The Lost World' by Sir Arthur Conan Doyle. This will be the context for all reading activities this term.

French will continue this session too.

Numeracy/Maths

We have started work on place value to millions and revision on the 4 processes will be our focus in numeracy. In maths, we will be working on money and problem solving skills. Please continue to support your child through regular revision of times tables.

Interdisciplinary Learning

We have spent time looking at needs and wants and have worked as a class to create our class charter. We have also looked at the election process in the UK as a context for the House Captain Elections. We will be running the Book Fair as an Enterprise in the lead up to and during parent consultation week.

Health & Wellbeing

P.E. with Mrs Jones will be on a Wednesday and with me on Tuesday focusing on team games and stamina. Please ensure that your child has full kit in school at all times.

Please also encourage your child to bring a water bottle to school. Long hair must be tied back.

Dates for the Diary
