

Learning and Celebrating

Primary 7 Term 3 Newsletter

Welcome back to P7, we hope you have all had a great holiday! Well done for all you have achieved so far in the first half of your Primary 7 year! It is going to be another busy term and we hope you will keep up the high standards you have set yourselves so far.

Literacy

For reading, we will be working in literature circles to read novels.

We will be applying our analysing and evaluating skills. In writing, we will be working on writing newspaper articles and reports. We will also be continuing with our individual weekly spelling words.

Numeracy

This term in numeracy we will be continuing to work on decimals and percentages. This will be followed by an introduction to algebra.

In maths, we will be learning about weight, volume and length. We will learn to convert between units of measurement throughout.

Interdisciplinary Learning

We have begun a topic on the Environment. This topic will cover a broad range of subjects including: renewable/non renewable energies, pollution, changing landscapes and endangered animals. At points, this topic will be used as a stimulus in our writing lessons as well as our artwork.

Health & Wellbeing

This term P7 will begin their Headstrong sessions in which we will learn about different types of mental health. We will discuss scenarios and strategies of coping with new stresses.

We will also be completing the P7 level of Keeping Myself Safe which will look at both e-safety as well as safety in the wider community.

Please ensure you have your full gym kit in school on Tuesdays and Wednesdays.

Dates for your Diary

- Mon 14th Jan - LOL 4 issued
- Thurs 24th Jan - Ceilidh (wear your tartan)
- Thurs 31st Jan - LOL 4 in
