

Learning and Celebrating

Primary 7 Term 1 Newsletter

Welcome to Primary 7! We have already had a busy start to the session as we have been looking at Rights Respecting Schools and preparing for our House Elections.

Literacy

Our focus for literacy this term will be the novel *Holes* written by Louis Sachar. This will be the context for all reading and writing activities. We will also watch the DVD at the end to compare the two texts.

French will continue this session too.

Numeracy/Maths

We have started work on place value to millions and revision on the 4 processes will be our focus in numeracy. In maths, we will be working on data handling and problem solving skills. Please continue to support your child through regular revision of times tables.

Interdisciplinary Learning

We have spent time looking at needs and wants and have worked as a class to create our class charter. We have also looked at the election process in the UK as a context for the House Captain Elections. Our novel study will also provide a context for art work and drama workshops.

Health & Wellbeing

P.E. with Mrs Jones will be on a Wednesday and with me on Thursdays focusing on team games and stamina. Please ensure that your child has full kit in school at all times. Please also encourage your child to bring a water bottle to school.

Dates for the Diary

Roald Dahl Day - 13th September
One Planet Picnic - 14th September
Big Day Out at PHS - 15th September
LOLs due in - 22nd September
Science Workshop - 10th October
