

Learning and Celebrating

Primary 7 Term 3 Newsletter

Welcome back to our P7's who worked extremely hard and showed that team work really does pay off! Well done for all you have achieved in the first half of your primary 7 year!

Literacy

For reading, we will be working in literacy circles to read novels. We will be applying our analysing and evaluating skills.

In writing, we will be continuing with personal writing. We will also be doing report writing and newspaper articles. Please remember to record all of the books you read on your First Minister's Reading Challenge passport.

Numeracy

This term in numeracy we will be continuing work on fractions, decimals and percentages as well as learning about prime numbers, factors and multiples. We will also do work on algebra.

In maths we will be learning about shape and working practically. Ms. Gordon will be continuing to teach problem solving strategies.

Interdisciplinary Learning

During week beginning 22.02.18 we will be having Scots Week and will be taking part in a ceilidh on Thursday 25th January - please wear your tartan for this! As you know we are working towards our John Muir Award. This will be on-going throughout the remainder of the year and the next stage is to work on our proposal for our conservation project in the large courtyard. We will also begin a topic on Earth Structures and natural disasters. Children will learn how and where disasters form, the impact on the landscape and the impact on human lives.

Health & Wellbeing

This term P7 will begin their Headstrong sessions in which we will learn about different types of mental health. We will discuss scenarios and strategies of coping with new stresses.

P7 are also working towards their Playmaker Award with Edinburgh College.

Please ensure you have your full gym kit in school on Tuesdays and Wednesdays.

Dates for your Diary

LOL 4 - issued: Mon 15th Jan

Due in: Thurs 1st Feb

LOL 5 - issued: Mon 19th Feb

Due in: Thurs 8th Mar
