Literacy-Talk

Prepare a short talk (about 1 ½ mins 2 mins long) to present to your class. This can be on a topic of your choice. You can make a Powerpoint to make your talk more interesting or bring in photos of things to show as you give your talk. Please practice this at home so that you are actually talking and not just reading words from a sheet. You can have notes in front of you though to help.

Numeracy-Basic Maths Facts

Use your Basic Maths Facts sheets to help you design a game which we can play in class to help you get better at Basic Maths facts.

HWB

Positive Ethos Survey

Please can pupils and families complete our two Positive Behaviour Surveys. See sheet attached for links, these are also available on our website and Twitter page.

Class Choice-Fairtrade Fortnight

Competition - use different materials or art techniques to create the Fairtrade symbol. This could even be done outside using materials from the environment, just bring a photo of it. There will be a prize for the winning design.

Class Choice-Fairtrade Fortnight

Bake/cook something using only Fairtrade ingredients. If you are bringing your creations into school, please remember no nuts.

Reading

See reading outlined in reading diaries. Please encourage reading for enjoyment and choice and remember to update your First Minister's Reading Challenge Passport. Please bring Reading Passports into school on the same day as you hand in your LOL so that Mrs Turnbull can check it. Thank you.
