

NEWBYRES NURSERY

active creative learning

Now Open!

A place to play, imagine and grow

Newbyres Nursery – nurturing communication and learning through natural play in a creative and caring environment

An exceptional full time nursery provision in beautiful surroundings for children aged 3 months - 5 years

Open Monday – Friday 7.30am – 6pm

Communication is Key:

Owned and run by a qualified Speech and Language Therapist, Newbyres Nursery will set your child up for life by focusing on communication skills from the start. Our skilled staff are trained in using signing alongside speech as a bridge to spoken language.

Active, Creative Learning:

Our qualified Forest School Leader will ensure that the children have access to child-led natural play and learning experiences indoors and outdoors in our large garden areas, using open-ended resources to allow their imaginations to flourish.

Places are limited so please contact us now for an enrolment pack or to book a show-around
