

## Cornbank School Partnership

# Update

Cornbank School Partnership are a committee of parent volunteers who work with the school on a wide range of activities, from assisting with school policies to fundraising and helping ensure the School has a warm and welcoming community for our families.

This year we have organised the Coffee Dens, Summer BBQ, Halloween Party, Christmas Fayre, Easter Fling and Raffles, these are just some of the social and fundraising initiatives run by Cornbank School Partnership. Our Playground Working Party, a sub-committee of Cornbank School Partnership, helped to achieve the recent playground improvements and are still working to further improve the grounds, look out for the exciting improvements we are making to the P1/2 Playground!

The School Partnership has a facebook page to keep you upto date with activities both School and Parent led, the page is called Cornbank School Partnership which makes it easy to find.

### Our Next Projects

STAGE 3: Cycle/ running track around Playing field.  
STAGE 4: Multi Use Games Area (MUGA) on playingfield

We achieve this by fundraising, grant funding, engaging local councillors, basically using any legal means to obtain money to achieve our goal of creating a fantastic playground for our school!
