

# Cornbank Primary School

Where everyone works together to inspire learners

to be their best now and in the future

## Nursery Term 4 Newsletter

Welcome back everyone. We hope you had a wonderful Easter break and enjoyed the lovely sunshine.

### Our Learning

Last term we were beginning to talk about Spring. We will continue with this topic over the next few weeks, thinking about planting and spending lots of time outdoors observing the environment, encouraging children to learn through natural curiosity.

Children have also been busy building assault courses, gyms and other exercising apparatus so we are going to focus on keeping fit and healthy as an additional topic. We welcome parents to volunteer their skills if they are experts in any of these areas.

### Your views matter

We are always looking for parents' feedback, comments and suggestions. We have a 'You Asked We Listened' board in the foyer. Please put any suggestions on the board and we will try to answer them as quickly as possible. This can be anonymous or named suggestions or questions. We also welcome suggestions and questions from the children on this board.

### Transition

Our theme for transition is 'Under the Sea.' We will be working closely with the P1 teachers as we introduce this topic; with P1 Children and Pre- School nursery children spending lots of time together in the nursery, P1 classrooms and playground. Transition calendars have now been issued.

### Noticeboard

We regularly update our Nursery noticeboard with information for parents. Please check this regularly for new notices.

### Snack Money

Snack money for the term is £30 payable by Parentpay only please. If you are having difficulty with Parentpay please see the school office.
