## Primary 5 - Term 4 Newsletter

I hope everyone had a wonderful Easter holiday and it was lovely to see everyone excited for term 4. The class were eager to share their holiday news and were ready to start a new and busy term, with lots of learning.

### Literacy

The class did a wonderful job last term with their study of Charlie and the Chocolate Factory. Everyone produced such creative pieces of work relating to the book. We all enjoyed it so much that we have decided to read Charlie and the Great Glass Elevator as a class novel.

This term we will be doing a range of writing relating to our topic of Scottish Wars of Independence.

Children have enjoyed choosing their own reading books and we have created our own individual reading record poster to help us track and showcase our reading.

### Numeracy/Maths

Primary 5 have been working hard on their multiplication and have found lots of different strategies to help them. This term we will continue to work on multiplication and division by using our knowledge of the times tables. We will work on word problems and understanding which process should be used.

We will also have a focus on fractions, decimals, time and measurement.

### Interdisciplinary Learning

Our topic for this term is Scottish Wars of Independence. We are all very excited about our trip to Bannockburn on Thursday 9<sup>th</sup> May and we will be doing lots of learning beforehand. We will have our Primary 5 Open Day on Thursday 13<sup>th</sup> June from 1.10-3.15pm to showcase our learning. We look forward to welcoming you on that day.

### Health & Wellbeing

Our P.E days are on a Tuesday and Wednesday. Please make sure that full kit is in school as well as a water bottle each day. Our focus for P.E this term with Miss Tsui is athletics and strike and field.

For two weeks, starting on Monday 13<sup>th</sup> May, there will be a Health Focus. There will be many activities during that time which includes Sports Day.
