

# Cornbank Primary School

where everyone works together to inspire learners

to be their best now and in the future

## Primary 4 Term 1 Newsletter

Welcome to Primary 4! An exciting year ahead for all of us. Ms Gordon will be in class on a Monday, Thursday, Friday and Miss Melvin will be in class on a Tuesday and Wednesday.

### Literacy

This term we will be looking at developing reading tools, and the skills and strategies which will help children to read more fluently and with greater understanding.

In Writing we will be looking at letter writing and diary writing. This will work well with our topic and will help the children to engage with the historical story

### Numeracy and Maths

In maths we will be looking at identifying and describing 2D/3D shape using appropriate vocabulary.

In numeracy we will be working on the 4 operations and applying these to larger numbers. We will also be developing our mental agility using Basic Facts games and cards.

### Interdisciplinary Learning

Our new topic will be all about 'The Unsinkable Ship-Titanic'. We will be receiving letters to give us new missions every few days. We will be working across the curriculum and applying our knowledge and skills in Art, Literacy and Numeracy.

### Health & Wellbeing

This term we will be focussing on establishing the classroom charter and going over our expectations in class, school and playground.

Swimming will take place every Wednesday morning and will continue for 12 weeks.

P.E. will take place on a Thursday Morning with Mrs Jones
