where everyone works together to inspire learners

to be their best now and in the future

Primary 5 Term 1 Newsletter

A big thank you to Primary 5 for being super learners and having a great start to the new session! Everyone has settled well and we are excited for all that awaits us this year!

Literacy

In this term, we will be doing a range of writing and making links to our topic. The class will be creating pieces of work in different genres - letters, imaginative writing, informative leaflets and posters, and so on.

We are going over spelling patterns as a class and finding out that there are sometimes exceptions to the rules that we need to learn.

Numeracy/Maths

This term we are working on number processes and applying our knowledge of the four processes (addition, subtraction, multiplication and division) in problem solving situations.

We have been discussing mental maths strategies in our class and how we can help each other to apply them in our work.

Interdisciplinary Learning

Our main topic until October will be 'Titanic'. We are excited about this topic and the learning we have ahead of us.

We will be collecting junk to use in our art! Please bring in any cereal boxes, cardboard tubes, lids from milk bottles and I will notify the class when we have enough.

Health & Wellbeing

Our P.E days are on a Wednesday with Mrs Jones, and a Tuesday with Miss Tsui. Please make sure that full kit is in school.

Your child should bring a water bottle with their name on it to school every day, with water only. Appropriate outdoor clothing and shoes may also be needed as we head into Autumn and Winter. Labelling clothing with your child's name would be very helpful.

Other Information

Our class charter is up in class and it's a character theme. Check it out on the school's twitter page and see if you can guess who drew each character! The class were very able in articulating what the class charter is for and how we can ensure we have our rights.
