

# Cornbank Primary School

where everyone works together to inspire learners

to be their best now and in the future

## Primary 6 Term 3 Newsletter

Happy New Year to you all! Welcome back to term 3 and what a busy term it will be! The children are looking refreshed and all set for term 3 of P6! We continue to share class achievements on a Monday. Thanks for all of the contributions already brought in.

### Literacy

This term we will be continuing to develop our Literature Circles work, with children taking on different roles each week. Pupils will continue to receive reading homework.

Within Writing, we will be working on imaginative story writing, as well as writing reports and instructions.

We will develop our group discussion skills through our topics and Literature Circles work.

### Numeracy and Maths

P6 continue to consolidate their Basic Maths Facts in class. We will also be continuing our focus on fractions, before moving on to look at multiplication and division strategies.

We will start off this term by continuing our work on Time, looking at calculating time durations, and building confidence with 24 hour clocks. Following this, we will look at data handling, and interpreting different graphs.

### Interdisciplinary Learning

This term we will be learning about the human body, and linking this to our Health and Wellbeing work. We will be taking part in our Scots Focus Week and Fairtrade Fortnight.

### Health & Wellbeing

During Health and Wellbeing we will be looking at Relationships. Thanks to everyone who was able to make it to last week's meeting. We will then move on to look at Keeping Myself Safe, which will cover a range of different scenarios.

During P.E. we will be practising our Scottish Country Dancing and then taking part in Fitness Circuits.

### Dates for your Diary

13.01.20	LOLs issued
20.01.20	Scots focus week
30.01.20	LOLs returned
10.02.20 - 14.02.20	Holiday
