23<sup>rd</sup> June 2020

Dear Cornbank Families,

I hope everyone is continuing to keep well. I would like to say a huge CONGRATULATIONS to you all for making it to the end of this term! I know there have been many challenges, worries and uncertainty but you have all done an amazing job! Please be proud of what you have achieved over the last 13 weeks and reflect on the positives.

This week, we are continuing to work extremely hard to prepare for welcoming our pupils back into the building. Transitions are taking place across the school through the Google Classrooms. Class teachers introduced themselves to their new class and have loved getting to know all the children through their learner Profiles. We are very excited to also be welcoming our new P1 and current P7 pupils this week when they come for a short visit in small groups.

Last week I attached an updated letter from Fiona Robertson, Executive Director of Education, which gave details about the current plans for blended learning in August. I am currently working on your child's offer of days in school and these will be shared with you this week. We have guidance about how to allocate these days including ensuring that siblings are kept together. We are unable to ask every family about which days would suit best as we would not be able to accommodate all requests. However, I also do not want to cause any additional stress at this time. By now, all families should have completed the online survey about 'Back to School'. I think it is important for me to highlight that I do not have access to your responses so please do email or phone the school today if there is anything you feel we need to know at this stage.

Thank you for your continued support.

Take care

*Laura Cameron*
