### A VERY START TO THE NEW SCHOOL YEAR

It is hard to believe that it has only been 5 weeks since we returned to school in August. It has been a very busy start to the new school year with a lot of adaptations and new 'ways of working' to consider. Staff and children are adapting to the changes in our usual routines and ongoing guidance regarding Covid-19. However, there continues to be a buzz of excitement and enjoyment around the school. I am really proud of how well everyone is working together to ensure a safe and fun environment. All of our children are settling so well and our staff are enjoying getting to know and working with all the pupils in their class.

Covid-19 restrictions have meant that it is a really challenging time for everyone. We are unable to have our usual open door, shared starts, meet the teacher etc and we are working really hard to think differently and find meaningful ways of supporting our parental engagement. Staff have worked across stages to produce a Curriculum PowerPoint with voiceovers of information. These need to be shared on the Google Classrooms as the files are too large for our website. There will be information out about the new Google Classrooms really soon. We try to regularly tweet about our busy days in Cornbank. Please take the time to look at our website and follow on us Twitter @cornbankps. I ask for your understanding if your child or child's class do not appear on Twitter every day. A day in school is very busy and we always prioritise the needs in the classroom at the time.

After a lot of hard work and a very busy campaign process we are delighted to let you know that we have new Primary 7 House Captains and Vice Captains. We wish all our Primary 7 pupils all the very best as they continue in their new roles and responsibilities across the school.
