

Cornbank Primary School

where everyone works together to inspire learners
to be their best now and in the future

Primary 4 - Term 2 Newsletter

Welcome to Term 2! I hope everyone had a lovely break during October. Primary 4 have already got off to a very busy start and I am looking forward to our learning this term with our new topic.

Literacy

This term we will be continuing with our reading in class and at home. We will be working on our comprehension skills.

We will continue to learn a new spelling pattern each week and have a focus on common words. In grammar, we will be working on using different punctuation and alliteration.

In Writing, we will be learning to write reports and imagined personal responses. These will mostly be linked to our topic work.

Numeracy and Maths

We are continuing to look at different methods for addition and subtraction.

We are also working on different number patterns and multiplication.

In Maths, we will be learning more about data handling before moving onto money.

Interdisciplinary Learning

Our main topic this term will be Energy and Forces. This will involve lots of practical experiments and looking closer at simple circuits and how they work. This will link in very well with our problem solving approaches, as children will work together to design and make a circuit from the materials given.

Health & Wellbeing

P.E/daily mile is still taking place outside where possible. Please make sure children have jackets with them each day.

Circle Times continue in class, and focus on a range of topics such as friendships, #RISE and our rights.

Please continue to send in a bottle of water each day.

Dates for Diaries

02.11.20 - LOLs issued
13.11.20 - Children In Need
19.11.20 - LOLs due in
30.11.20 - LOLs issued
04.12.20 - Pupil Voice Groups
11.12.20 - Houses Morning
17.12.20 - LOLs due in
22.12.20 - Last day of term
06.01.21 - All resume

It has been lovely sharing our achievements on the 'Jamboard' in class. The children really enjoy telling the class what they have been up to and showing their pictures. Thank you for adding to these. We also welcomed Miss Robertson to our class this week. She will be joining Primary 4 for the next five weeks as a student teacher. As always, if you have any queries or concerns, please get in touch. Thank you for your ongoing support.
