Week 4 - This is our House

07.06.21-10.06.21

This week our activities are based around the story This is our House by Michael Rosen. You can do these activities at home, at nursery or with your childminder. Don't forget to tweet us any photos of you taking part @CornbankP1_2021

Listen to Mrs Deas read this week's story on the YouTube Channel <https://youtube.com/channel/UCX1G3qszJcy04qvNiWfHqyQ> You can find a direct link to today's story on the Twitter page.

Monday

Literacy Activity: Complimenting a friend

Choose one of your friends and think about all the things you like about them. Do they go to nursery with you? If they do you could pay them some compliments. There is a template in your pack for you to draw your friend and ask an adult to write all of your nice thoughts around the picture for you to give to your friend.

Tuesday

Numeracy Activity: Listen to Mrs Deas singing 'I'm gonna build a house' on the Twitter page. Can you use blocks, lego or anything else you can think of to build a house? I wonder if you can name all of the different shapes you have used to build your house?

Don't forget to share any photos or videos of you giving the tasks and activities a go on our Transition Twitter page.

Wednesday

Health and Wellbeing: Who lives in your house? Draw, stick, create or make your family. You can use the house template in your pack if you like or come up with your own ideas. Don't forget about any pets you have! We can't wait to see your creations.

Thursday

Learning Across the Curriculum: Role Play "This is My House"!

Can you take it in turns to act out the story? Feel free to get creative and dress up, make puppets, or use different props to support you with your role play.

Take it in turns pretending to be George and some of the other characters in the book.

How do you think they feel at different points? Alternatively you can make up your own game to play in "your house"

Don't forget to share any photos or videos of you giving the tasks and activities a go on our Transition Twitter page.
