

CORNBANK PRIMARY NEWSLETTER #RISE

September 2022

WELCOME BACK FROM MRS STEVENSON 😊

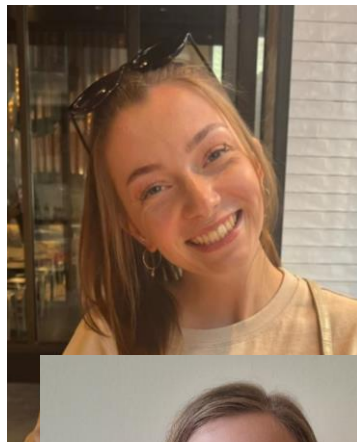

Welcome back to school and ELC everyone for session 2022/23! What an exciting and busy first few weeks we have had here at Cornbank. The children have returned to school with smiles on their faces and a ready to learn attitude.

We welcome two new members of staff to our team - Miss Laura Mason, who is our NQT this session and teaching P2M and to Miss Rachel Ball, who is covering teacher non-class contact time and will be in a number of our classes. We have also welcomed a number of new children and they too have settled very well into the Cornbank family.

A special mention must be made to our wonderful new P1s and how well they have adapted to the way of school life. They have been an absolute pleasure and are being well supported by their P7 buddies in class, the dinner hall and in the playground.

I am very excited to be here this session and have enjoyed seeing families in school at the recent P1 Curriculum Evening and last night's P2-7 Meet the Teacher. I look forward to building stronger relationships with you all through the course of the year.

Establishment Phase

Since returning to school, all learners are taking part in our establishment phase. During this 4 week block, children will be revisiting the Rights of the Child and creating a class charter, the RISE values, our Cornbank toolkit, zones of regulation, the nurture principles and learning more about a growth mindset. There will also be the opportunity for team building and cross stage learning with the recent changes to class composites. Please ask your child about this at home as we are very proud of our school.

P1 Curriculum Evening and P2-7 Meet the Teacher

Thank you to everyone who came along to our P1 Curriculum Evening and the P2-7 Meet the Teacher. After a difficult two years, it was lovely to welcome families physically back onto the school premises. Hopefully, we will be able to do this more often moving forward. We were delighted with the numbers who attended and we hope you feel both evenings were worth attending?

Whole School Assemblies

We are now holding whole school assemblies on a Friday morning in our gym hall. It has been lovely to have the whole school community together again and to hear singing once again at Cornbank. We have also started distributing our Cornbank Toolkit postcards which the children just love to receive.

Thank You 😊

We would like to thank all our families for making the return to school such a success and we look forward to working in partnership with you this session. Please let us know if you have any worries or concerns either by using the school email below or giving us a wee call.
