October 2022

## OCTOBER UPDATE FROM MRS STEVENSON 😊

Another busy month at Cornbank as we further settle into this session. Teachers are looking forward to meeting with families next week for Parental Consultations. You should already be aware of your appointment day and time. It will be lovely to share progress face to face this year for the first time in a while.

We finish for the October break on Friday 14<sup>th</sup> October and we hope everyone has a lovely break. We will be looking forward to welcoming staff back on Tuesday 25<sup>th</sup> October for a busy in service day and all learners back on Wednesday 26<sup>th</sup> October.

Have a lovely break 😊

Regards,

Lynsey Stevenson  
Headteacher

### School Improvement Plan

We continue to work hard on our school improvement priorities. Our Parent Summary of our Standards and Quality Report for session 2021-22 and the key points from our ELC and School Improvement Plan for session 2022-23 have been posted on our school website homepage. The full document can be found under the School Info section.

### Parking

Parking is an ongoing issue here at Cornbank. I would ask that you are considerate of our neighbours when picking up and dropping off at school and we always recommend walking to school where possible.

## DATES TO NOTE FOR OCTOBER

## Twitter

We regularly tweet about our days in Cornbank. Please take the time to look at our website and follow on us on Twitter @cornbankps. We do ask for your understanding if your child or child's class do not appear on Twitter every day. A day in the classroom is busy and sometimes there are other priorities.

## ASN

At Cornbank, we are an inclusive school. We have a range of additional support needs across the school and each month I will share some information with you to raise awareness. This month our focus is on the Autism Spectrum Disorder - flyer attached.
