

Cornbank Primary School

where everyone works together to inspire learners

to be their best now and in the future

ELC Term 2 Newsletter

Hope you all had a wonderful Christmas and New Year. We are looking forward to the term ahead and also welcoming our new learners: Austin, Finley, Sam and Charlie 😊

Our Learning

This term we have been discussing and learning about winter. We have been particularly interested in Arctic animals and have been learning about their habitats and how they keep warm in the cold.

Just before Christmas there was some interest in the fire service. We recently re-introduced this to see if the interest was still there and learners seemed keen to learn more about people who help us. We are hoping to organise some visits to/from some local services, so if any of the parents work for or have contacts with any local people who help us services, we would love to hear from you.

We have also been thinking about our learning goals for the term and have been setting our new learning priorities, discussing with our keyworkers what will support us to achieve these goals.

Tissues and Wipes

We kindly request that if you can, families donate one box of tissues per term.

If your child is toilet training or in nappies we ask that you supply nappies, wipes and nappy sacks please. Thanks

Informal Parents Evening

We look forward to welcoming you to this event - Monday 6th February 3:30-4:45pm.

This is an opportunity to have a cuppa, a biscuit and have a look round the ELC and a chat with staff.

Children are unable to attend this event due to Health and Safety surrounding hot drinks being available and capacity in the ELC.

This is an informal event and there will be a formal opportunity to catch up with your child's keyworker at their wellbeing meeting in March.

Linking Our Learning

We hope you enjoyed looking through your Child's Learning journal with them. We really appreciate your feedback on the journals and your child's learning priorities for the term. New learning priorities are in the process of being set and we will send a copy home for you over the next couple of weeks. If your child does any work on these at home please do let us know.

Comments and Feedback

Please remember we always welcome comments on what we do well and any areas for improvement. These can be hand written and popped in our feedback boxes in the entrance foyer, Rwitter messaged or emailed to the school cornbank_PS@midlothian.gov.uk.
